TOWN TALK.

The public are cordially invited.

Lansing is said to have a swearing lawyer. Wonder if he is lonesome. Fair business dealing does not admit

the least misrepresentation. A number of strangers can be seen upon

our streets almost every day. The tormenting sound of fire crackers is no longer heard in the land.

The usual crop of calamities were har

vested on the Fourth of July. various parts of the village.

TRIBUNE was paid by J. J. Barker.

Charley Ramsey is in training and expects soon to challenge the editor of this paper in a type-setting match.

There is probably no place of its size in the state that has as many and as good sidewalks, as has Cheboygan.

NORTHERN TRIBUNE will be furnished ample facilities by calling at the office. Considerable work has been done upon

greatly benefitting their appearance. The Marine City arrived on her regular weekly trip from the south last evening.

She made an extremely short stop. There was a social ball at the residence of J. A. B. McCallum, Duncan City, last

Thursday evening. What lots of mind readers we have in logs.

that city to Buffalo. They find a good | terday all right. market.

the pepole do who have deen used to reading three or four columns of the scandal every day?

McArthur Smith & Co. are making arrangements to build another storeroom the size of their present one, as they have not room for their goods.

It is rumored that Father DeCunick has closed a contract with Geo. Roblin for quite an amount of real-estate on that side of the river.

The report that men are already at Trenton. work upon the Northern extension of the Jackson Lausing & Saginaw railroad, can be traced to no definite foundation.

Several of our citizens have a mild attack of the California fever. The disease the week. On Wednesday the Maud is however, not raging as badly as in some Sammons took a small party on a trip to to do good work at reasonable prices, we sections of the state.

while passing the straits near Mackinaw | complain of having a splendid time. They City a few days since. A gust of wind did the business.

Prof. Winchell has just entered upon a geological survey of the lands belonging These excursions to our inland lakes are week Thursday evening, and was both soto the Grand Rapids and Indiana railroad. Will he please tell us about the richness of that silver over at Petosky.
